FEATURE 1 OF 2

Budget Tags — share visibility on a project

WHAT IT IS

Tag teammates onto any project budget so it's clear who's working it. Each tagged person shows as a colored initials icon next to the budget's Status, and tags drive the new My Projects filter on the pipeline page.

WHERE TO ACCESS IT

ProFi → open any project budget → the header row next to Status (labeled "Tagged").

HOW TO USE IT

- 1. Open the project's budget in ProFi.
- 2. In the header row (Budget Dated / Owner / Status), find **Tagged** and click **+ Tag**.
- 3. Pick a name from the dropdown — their initials icon appears instantly.
- 4. Add as many people as you need; click an initials icon to remove that person (it asks to confirm).

FEATURE 2 OF 2

Show My Projects filter on the Finance pipeline

WHAT IT IS

One click filters the Project Finance list down to only the budgets you own (Budget Owner) or are tagged on — no more scrolling everyone else's projects.

WHERE TO ACCESS IT

ProFi → Project Finance page → top right, next to + New Project.

HOW TO USE IT

1. Open Project Finance from the hub.
2. Click **Show My Projects** (top right) — the button turns blue "✓ My Projects" and the list filters to yours.
3. It works together with the RFP / Live / Archive folders.
4. Click it again to see everything.
