F5	Admin role preview (View as...) Admins can preview the entire platform exactly as any other role sees it — Producer, Finance, Crew, Agency, or Client — without signing out. Where: Hub header, next to the Backup button: the 'View as...' dropdown. A purple banner at the top of every page shows which role you're previewing.	see F5 in appendix
F6	Start a new project from the hub A Start New Project button on the hub opens the New Project form and drops you straight into the new project's view — no need to detour through Finance first. Where: The hub — the green Start New Project button next to the navigation pill.	see F6 in appendix
F7	My Tasks quick-add — with teammate tagging Add a task to your own list straight from the Hub, without opening a project. Where: Hub → Day in Review → My Tasks → + Add New.	see F7 in appendix

F26	Overview budget tile — status, totals, and client identity The Overview's budget tile is now a slim strip: Budget Status on the left, the running totals on the right — Budget (the live ProFi budget total) and Est Fee (the billable profit from the VCC: budget total m...
